

WF - OLZ Equity China Optimized ESG

Class IH | for institutional investors

31.10.2021

For marketing purposes

MSCI ESG Rating: BBB

Fund Portrait

The fund invests in Chinese equities with a focus on liquidity, sustainability/ESG criteria (Environmental, Social, Governance) and optimal diversification. The goal is to improve the risk-return profile in comparison to the cap-weighted index over the medium to long term. The investments follow a systematic, risk-based investment process. OLZ forecasts the risk characteristics (volatilities, correlations) and derives an optimally diversified portfolio based on OLZ minimum variance optimisation. There is no leverage, no short selling and no securities lending transactions.

Neither this document nor any copy thereof may be sent, taken into or distributed in the United States or to any U. S. person (within the meaning of Regulation S of the US Securities Act 1933 in its applicable form). Every investment involves risk, especially with regard to fluctuations in value and return. Investments in foreign currencies involve the additional risk that the foreign currency might lose value against the investor's reference currency. Historical performance indications and financial market scenarios are no guarantee for current or future performance. Performance indications do not consider commissions levied at subscription and/or redemption. Furthermore, no guarantee can be given that the performance of the benchmark will be reached or outperformed. You may request further information from your bank/relationship manager. Potential conflicts of interest cannot be excluded. It must not be read as independent research. All MSCI data is provided "as is". The products described herein are not sponsored or endorsed and have not been reviewed or passed on by MSCI. In no event shall MSCI, its affiliates or any MSCI data provider have any liability of any kind in connection with the MSCI data or the products described herein. Copying or redistributing the MSCI data is strictly prohibited. The investment funds mentioned in this publication have been established under Luxembourg law as undertakings for collective investment in transferable securities (UCITS) subject to EU Directive 2009/65/EC, as amended. The representative in Switzerland is Credit Suisse Funds AG, Zurich. The paying agent in Switzerland is Credit Suisse (Schweiz) AG, Zurich. Subscriptions are only valid on the basis of the current sales prospectus, simplified prospectus or key investor information document (if established) and the most recent annual report (or half-yearly report, if this is more recent). These and the funds management regulations and/or articles may be obtained free of charge, in English, from OLZ AG, Berne, from Credit Suisse Fund Services (Luxembourg) S.A., P.O. Box 369, L-2013 Luxembourg, from Credit Suisse Funds AG, Zurich, or from any Credit Suisse AG bank in Switzerland. The product described is domiciled in Luxembourg. The target group of investors may also be restricted in the fund contract for specific subfunds or unit classes. The Total Expense Ratio (TER) is the sum of all commissions and costs charged on an ongoing basis to the average fund assets (operating expenses). The value is taken from the last available annual report. This material has been prepared by OLZ AG. None of the management company (MultiConcept Fund Management S.A., Luxembourg), the registrar and transfer agent, the administrator or the depositary of the Fund has independently verified any information contained herein and no party makes any representation or warranty as to the accuracy, completeness, or reliability of such information.
