

# OLZ - Equity World ex CH Index Optimized ESG

Class I-A (CHF hedged) | für qualifizierte Anleger

31.12.2025

For marketing purposes

MSCI ESG Rating: AA

## Fund Portrait

The fund invests in equities from developed equity markets worldwide with the exception of Switzerland. The focus is on liquidity, sustainability and ESG criteria (environmental, social, governance) and optimal diversification. Reference currency is CHF and maximum foreign currency risk amounts to 10%. No leverage is used and no short selling or securities lending is carried out. The investments follow a disciplined and structured process and are based on tracking error minimization. The aim is to improve the risk/return ratio compared to the capital-weighted index over a medium to long-term time horizon with an above-average ESG rating.

It was produced by OLZ AG with the greatest of care and to the best of its knowledge and belief. However, the OLZ AG provides no guarantee with regard to its content and completeness and does not accept any liability for losses which might arise from making use of this information. The opinions expressed in this document are those of OLZ AG at the time of writing and are subject to change at any time without notice. If nothing is indicated to the contrary, all figures are unaudited. This document does not constitute an offer or a recommendation to buy or sell financial instruments or banking services and does not release the recipient from exercising his/her own judgment. The recipient is in particular recommended to check that the information provided is in line with his/her own circumstances with regard to any legal, regulatory, tax or other consequences, if necessary with the help of a professional advisor. This document may not be reproduced either in part or in full without the written permission of OLZ AG. It is expressly not intended for persons who, due to their nationality or place of residence, are not permitted access to such information under local law. Neither this document nor any copy thereof may be sent, taken into or distributed in the United States or to any U. S. person (within the meaning of Regulation S of the US Securities Act 1933 in its applicable form). Every investment involves risk, especially with regard to fluctuations in value and return. Historical performance indications and financial market scenarios are no guarantee for current or future performance. Performance indications do not consider commissions levied at subscription and/or redemption. Furthermore, no guarantee can be given that the performance of the benchmark will be reached or outperformed. You may request further information from your bank/relationship manager. Potential conflicts of interest cannot be excluded. This document must not be read as independent research. The securities presented in this publication are not supported, assigned, sold or advertised by SIX Swiss Exchange. No liability is accepted. The product described is an umbrella fund under Swiss law of the type "other funds for traditional investments" for qualified investors pursuant to CISA, art. 10, paras. 3 and 4. Subscriptions are only valid on the basis of the current sales prospectus with the integrated fund contract, the simplified prospectus, and the most recent annual report (or semi-annual report, if more recent). This document is expressly not intended for private individuals or persons for whom access to this type of information is forbidden. The target group of investors may also be restricted in the fund contract for specific subfunds or unit classes. The fund contract and the annual report are available free of charge from OLZ AG, Bern, the fund management company, Credit Suisse Funds AG, Zurich, or from the custodian bank, CREDIT SUISSE (Schweiz) AG, Zurich. The Total Expense Ratio (TER) is the sum of all commissions and costs charged on an ongoing basis to the average fund assets (operating expenses). The value is taken from the last available annual report.
